

How to Make a Rattle

a tutorial by Jenn's Yarn Addiction

Materials:

- Two bottle caps
- Various buttons
- Masking tape

Directions:

1. Find two bottle caps that fit together exactly
2. Choose buttons of different sizes and place inside the bottle caps. Hold the two caps together and test how they will sound by giving it a shake
3. Once you're happy with the sound, secure the edges with masking tape
4. Insert into toy, using stuffing to shape around the rattle
